## Intergenerational Mobility Essay

Fall 2022

- Please name your file like `lastname_firstname_MobilityEssay.pdf`.
  - Email your work to [ali.sani94@sharif.edu](mailto:ali.sani94@sharif.edu), [mahlasabersh@yahoo.com](mailto:mahlasabersh@yahoo.com) and [faezeheskandari3@gmail.com](mailto:faezeheskandari3@gmail.com) before the deadline.
  - Provide associated references.
  - Write based on your group number.
- 
1. Do you agree, disagree, or partly disagree with the following statement? “Social connectedness is more important than people’s neighborhood”.
  2. Assess the education system’s impact on opportunities and life chances based on social class. What implications does this have for the work of helping agencies?
  3. Assess the financial sector’s impact on opportunities and life chances based on social class. What implications does this have for the governments?
  4. Evaluate the culture’s impact on opportunities and life chances based on social class. What implications does this have for the governments and helping agencies?
  5. One can argue that intergenerational mobility should be considered the most important indicator to eradicate poverty, especially the permanent ones. Do you agree or disagree with it?
